

Villa Mlini, Dubrovnik Riviera

Sleeps 8 | 4 Double Bedrooms | 3 Bathrooms | Pool

Description

Villa Mlini is a newly renovated villa situated above the village of Mlini, 10 minutes drive from the wonderful medieval Town of Dubrovnik, Croatia. It is a spacious and airy villa which comfortably sleeps 8 people (4 bedrooms). Most of the bedrooms are on the ground floor allowing the open plan living and dining room a fantastic view out across Mlini to the sea beyond. The villa has an attractive and private swimming pool along with 2 large terraces covered with vines to shade you from the sun while you're eating or relaxing.

The interior of the house certainly has the wow factor – it is newly renovated with all mod cons, and is most comfortable after a day on the beach (or a night on the tiles!). With its air conditioned rooms, comfy leather sofas and **New "Entertainment Room" (Home Cinema & Office Facilities with Play Station and 3D TV)**, this is the perfect pad to retire back to...there is even a special wine fridge for your pleasure!

It is a 5-10 minute walk down the hill to the historic village and bay of Mlini whose history in its water mills ("Mlini" means "mills") which were powered by the fresh water mountain springs and whose— you can see these as you walk around the village. There are lovely little restaurants and cafes scattered around the bay and all serve fresh fish and delicious organic, local wine! Mlini has a long stretch of pebbly beach and beautiful turquoise, calm sea.

For more sophistication, head into Dubrovnik Old Town and explore the windy streets – there are plenty of shops and cafes and wonderful architecture to enchant you. Or head out of Dubrovnik altogether and discover its nearby islands by kayak or bike!
